

### REMARKS/ARGUMENTS

Applicant herein amends claims 1, 22, and 36 and respectfully traverses the Examiner's prior rejections. No claims are cancelled and no new claims are presently added. These changes are believed not to introduce new matter, and their entry is respectfully requested. The claims have been amended to expedite the prosecution and issuance of the application. In making this amendment, the Applicant has not and is not narrowing the scope of the protection to which the Applicant considers the claimed invention to be entitled and does not concede, directly or by implication, that the subject matter of such claims was in fact disclosed or taught by the cited prior art. Rather, the Applicant reserves the right to pursue such protection at a later point in time and merely seeks to pursue protection for the subject matter presented in this submission.

Based on the above amendment and the following remarks, Applicant respectfully requests that the Examiner reconsider all outstanding rejections and withdraw them.

Please charge \$790.00 to deposit account no. 50-1123 to cover the cost of filing a Request for Continued Examination. No other fees are believed to be due at this time, however, if any additional fees are determined to be required in connection with the filing of this response, please charge the fees to Deposit Account No. 50-1123.

Respectfully submitted,

1 February, 2007
